

GET YOUR STUDENTS READY FOR COLLEGE with help from Nelnet College Planning.

Before your students attend their first day of college classes, they have a lot to do—take ACT or SAT tests, fill out applications and find a way to pay for school, to name a few. Like most students, they'll likely have many questions along the way. Encourage them to visit www.nelnet.com/collegeplanning to start their college prep with Nelnet, their partner in education planning and financing.

Our college planning resources include:

- Nelnet \$1 Million Scholarship Giveaway, open to juniors and seniors (**no purchase necessary**)
- \$8 billion scholarship database
- Monthly newsletter filled with college planning guidance for parents, students and counselors
- FAFSA video tutorial and podcast
- ACT and SAT practice tests
- Customizable college and university search
- Knowledgeable education counselors available toll-free at 1.866.866.7372

Feel free to add www.nelnet.com/collegeplanning as a resource on your school's Web site. We look forward to helping your students plan and pay for college!
